WOMAN SUFFRAGE AGAIN DEFEATED

State Senate Today Killed the Proposed Constitutional Amendment.

TO KEEP ON INSURING

Stevens' Primary Election Bill Up Again Before Assembly Committee.

THE STOUT MARRIAGE BILL

Madison, Wisconsin, March 12.—Woman suffrage was again defeated in the legislature today, the senate killing the proposed constitutional amendment which would permit women to vote, without the formality of a debate. The senate also killed the bill prohibiting the insurance of state property, refusing by a tie vote to order it to a third reading.

In the assembly the bill prohibiting employment of boys under fourteen years of age in saloons and bowling alleys was referred to the committee.

Farmers Will Fight It.

There is a bill in the senate which will be jumped upon by the farmers of the assembly if it comes to the lower house. It provides that the maximum weight of threshing machine engines shall be twenty-five tons. It used to be six tons and was raised to seven tons, after a hard fight in the last legislature. This bill will scare the farmers stiff. It is said that outside of Milwaukee there is not a road bridge in the state that would stand the weight of twenty-five tons, and if the bill passed all the country bridges would have to be rebuilt.

HEARING ON THE TAX BILLS.

Joint Committee Will Listen to Arguments Tomorrow and Thursday.

Madison, Wis., March 12.—Governor La Follette last night sent a message to both houses of the legislature informing them that he had signed thirty senate bills, three joint resolutions and twenty assembly bills.

Hearing on Tax Bills.

The senate and assembly committees on the assessment and collection of taxes will devote tomorrow and Thursday afternoons of this week to hearing arguments on the bills drawn by the tax commission for the taxation of express, freight line and street railway companies. Chairman Whitehead has not yet been notified who will appear for the committees named. The members of the tax commission will appear by invitation of the committees to discuss the bills.

Primary Election Bill.

The committee on privileges and elections of the assembly will hold a meeting this afternoon to take up the Stevens Primary election bill. At the meeting it is expected that Mr. Stevens will be ready to report the amendments that he has had under consideration for the past ten days, and the committee will then act on them. The report of the committee may be made to the lower house before the end of the week, but it is doubtful if the bill will be considered by the assembly before some time next week.

County Dairy Schools.

An impression prevails in many sections of the state that there is a bill pending for the establishment of the county dairy schools. This is a mistake. What has been proposed by Assemblyman Dodge of Green county is that such schools should be established in certain of the dairy counties and especially in Green county where the conditions are peculiar. That county is famous for its Swiss cheese, and the cheese-makers of the county are practically all Swiss

and cannot use the English language to advantage. They would like to get a dairy school established in their county where they would not go far from home where instruction can be given in Swiss cheese making.

Stouts Marriage Bill.

Nothing has been heard for some time from Senator Stout's marriage bill, which requires all candidates for marriage to pass a physical examination before they can secure a marriage license. The bill was drawn by Attorney A. L. Woodward of La Crosse, who is a bachelor, and who was here about three weeks ago to make a plea for the bill. The committee on public health and sanitation has not acted upon the bill, and may not until it gets the anti-cigarette bill right off its hands.

MUCH SMALLPOX IN IOWA.

Hundreds of Cases in Various Towns Cause Intense Alarm.

Centerville, Ia., March 12.—Southern Iowa is overrun with smallpox and Centerville is the only city of any size that has not from five to 200 cases. There are not fewer than 500 cases in this part of the state. Ottumwa has over 200, Albia 100, Bloomfield fifty, Moravia fifty, Mystic seventy-five and Moulton twenty-five. Centerville has a strict quarantine against all affected towns. All roads and all railway trains are guarded by armed men to prevent suspects from coming here. The whole country is alarmed, as the disease is in a malignant form in many places and several persons have died.

RAISE TOBACCO IN WEST WISCONSIN

Experiment Proves Successful and Many Acres Will Be Planted with Seed This Year.

La Crosse, Wis., March 12.—Tobacco raising in La Crosse county is an assured success, experiments last year having proved this fact and tobacco will be raised extensively in this county this year. S. Y. Hyde, president of the Hyde Elevator company, will plant twenty acres of his land near the city limits with tobacco. He has lumber on the ground preparatory to erecting sheds for the proper storing of the tobacco. Last year C. E. Bennett, who is associated with Mr. Hyde, planted ten acres of land with tobacco and harvested 3,500 pounds of fine tobacco. It was of fine texture, thin leaves and sweet. Mr. Bennett will also plant several acres of his land with the weed. Other farmers are contemplating the same thing.

Eau Claire, Wis., March 12.—Representative Estch has forwarded to Eau Claire a quantity of tobacco seed for distribution in the agricultural districts and also pamphlets giving instructions on tobacco culture which promises to be an important feature in northwestern Wisconsin.

THE CARRIE NATION JURY

Reports That It Is Unable to Reach an Agreement.

Wichita, Kan., March 12.—The jury before which saloon smashing cases against Mrs. Carrie Nation and three other women were tried reported that it could not agree. Five were for acquittal and seven for conviction, and that was the ratio observed in all of the voting. Mrs. Nation is well pleased with the result. She wired her attorneys here that it was the hand of God that directed the jury. The cases will be retried at the May term of court, as County Attorney Conley says that if Mrs. Nation were dismissed it would mean more smashing at once. He will prosecute her to the end. Local prohibitionists take the verdict, or the failure to arrive at one as victory for them. They claim that the trial was farcical so far as justice is concerned, and accuse the court of using all his power to secure conviction. His failure to convince the jury after such hard work is taken by them to mean that Mrs. Nation and her friends cannot be convicted in any court. The general sentiment here is that saloon smashing did not get a setback in this trial. If anything, it was given fresh life, and the saloon men are on the watch for wrecks at any time.

STORM LOSSES ARE GROWING FAST

Damage to Telegraph and Telephone Lines is Estimated to Be Over \$160,000.

Milwaukee, March 12.—Milwaukee's isolation caused by Sunday's storm of rain, sleet and snow, still continues and with the exception of four wires by a roundabout way, no telegraphic or telephonic communication is likely to be secured until late today.

The reports brought in by repairing crews show that the damage was far greater than was at first supposed, aggregating fully \$160,000. This is simply the actual loss to the owners of the telegraph and telephone lines and does not include the damage done to business caused by interrupted communication.

The losses of the different compa-

ies as estimated last night were: Western Union company, \$100,000; American Telegraph and Telephone company, \$25,000; Postal Telegraph and Cable company, \$20,000; Wisconsin Telephone company, \$10,000; railroads, \$5,000; total, \$160,000.

Every effort is being made to repair the damaged lines as quickly as possible. The railroad companies yesterday sent out special trains in all directions with hundreds of repairmen and material. The men were instructed to patch up at least one line as quickly as possible, using fences to support the wire if the regular poles were down.

M'KINLEY AND DIAZ WILL MEET AT EL PASO IN TEXAS, NEXT MAY

The President and Cabinet Will Leave Washington April 29—Trip to Pacific Coast—Great Preparations for Their Reception in the West.

Washington, D. C., March 12.—President McKinley in conference today with Henry T. Scott of the Union Iron Works, builders of the battleship Ohio, practically completed the itinerary of his proposed trip to the Pacific coast in the spring. While the primary object of the trip will be, on which the members of the cabinet will also go, the launching of the Ohio, the president will extend his trip to the Southwest and the Pacific Northwest.

The special train bearing the presidential party will leave Washington on April 29. Visits will be made in

RUSSIA HAS HER OWN WAY IN CHINA

Czar's Demands for Concessions in Manchuria Will Be Granted—Conger Starts for Home.

Pekin, March 12.—It is understood that the Chinese commission will sign the agreement respecting Manchuria with Russia within ten days. The Chinese respect a strong neighbor. They prefer to grant favors to such a power rather than to others who profess generosity but whose object is uncertain. China is convinced that no power is really friendly to her. Hence she yields to necessity, believing that the advantage granted Russia is better than an attempt at resistance. The site for the new American legation the purchase of which has been authorized by the American government is situated in the southwest of the international legation quarter adjoining the city wall.

Washington, D. C., March 12.—The secretary of war has approved General Chaffee's plans for the withdrawal of American troops from China and orders have already been issued for part of the present force to embark on an army transport at Shan Hi Kwan. General Chaffee's recommendation that a legion guard of only two companies remain in Pekin has also received the approval of the war department.

Pekin, March 12.—United States Minister Conger left this morning. All the foreign ministers were present at the railway station.

Besides the foreign representatives a large crowd gathered at the station to bid the minister and his family farewell.

FINE ADDITION TO COURT HOUSE PARK

Shaft Chosen by Soldiers' Monument Committee Will Be a Fitting Memorial to Rock Co. Veterans.

The shaft chosen by the soldiers' monument committee yesterday was from the designs submitted by A. Hutchins of Rockford, Ill. A few modifications will be made in the design to conform with the ideas of the committee. The specifications call for a shaft 56 feet 2 inches high of fine hammered and polished Barry granite. It will weigh over 150 tons and will contain 1,650 cubic feet of granite.

The base will be 14 feet square, 2 feet high; the second base 10 feet square and 1 1/2 feet high and the third base 8 feet square and two feet high. On this will stand a 6 foot square blue Barry granite die, 5 feet high, which will be surmounted by a cap 7 feet 4 inches square and 3 feet high; next comes a plint 4 feet, 8 inches square and 1 1/2 feet high. The main shaft tops this and will be four feet square at the base and 27 feet high, tapering to a second plint 3 feet 10 inches square and three feet high, on which will set a cap 4 feet 10 inches square and 3 feet high. An additional plint then comes in and will be surmounted by a figure of a soldier 8 feet 6 inches high, standing at parade rest.

The monument will make a slight addition to the court house park and will be one that will reflect great credit upon the committee that have had the work in charge. It will be a fitting memorial to the soldiers of Rock county who gave up their lives in the defense of their country.

Harrison Is Very Ill.

Indianapolis, Ind., March 12.—General Harrison's condition is such as to arouse the gravest fears in the minds of his friends. Since 3 o'clock his condition has been regraded as less favorable. Telegrams have been sent to his children, indicating that unless a marked improvement comes soon the worst is to be feared.

ment now goes to the governor for his signature.

The bill provides that no prosecution can be instituted except on complaint of the husband or wife or relatives within the first degree of consanguinity of the person accused.

Prosecutions under section 4,208 of the revised statutes, 1898, defining and punishing polygamous marriages, are specifically exempted in the bill.

LINERS HAVE ROUGH TRIPS.

Storms on the Atlantic Delay Vessels and Frighten Passengers.

New York, March 12.—Storms on the Atlantic have delayed several liners from reaching port on time, and those which arrived yesterday report having a rough experience, although none bore evidence of serious damage. By far the hardest experience was that of the White Star line steamer Germanic, which was delayed three days. Its passengers came down the gang plank overjoyed at their escape from the wrath of the sea. For four days they were knocked about by the winter storm and staggered about the cabin and steerage, clinging to anything immovable that offered support. At the height of the storm the vessel gained a passenger and lost one. Michael Murphy, a steerage passenger, died March 4 and was buried at sea. A baby was born in mid-ocean—the son of Mrs. Jarn Rhynstadt, a steerage passenger. Much rough weather was met by the Umbria of the Cunard line. Walter Schulz, a steerage interpreter, was thrown to the deck and sustained a dislocated hip. The St. Louis did not experience so much rough weather.

DR. LOUISE CROW IS POPULAR AT MADISON

The Well Known Janesville Osteopath is Particularly Earnest in Her Work for the Bill.

Madison, March 12.—If the osteopathy bill passes, its success will be due largely to the efforts of Dr. L. E. Cherry of Milwaukee and Dr. Louise Crow of Janesville, both of whom have been untiring in their efforts to secure its passage. Dr. Crow is particularly earnest in her labors and she has made a number of converts. She is a modest, quiet little woman, whose intelligence and sincerity make a favorable impression upon all whom she approaches.

She is in the assembly chamber all day and is busy whenever there is a member at liberty so that she can talk to him. She devotes herself to those who are reported to be opposed to the bill and she approaches them in such a manner that half of her battle has been won the minute that she has been introduced. She is as unlike the traditional woman lobbyist as white is unlike black, and she is infinitely more effective.

BOTH TO SURRENDER

He Will Lay Down His Arms Even if Dewet and Steyn Do Not Conclude to Submit.

Lorenzo Marquez, March 12.—General Botha is willing to surrender. He asked an armistice in order to communicate with General Dewet and Mr. Steyn. Should they decline it is believed, nevertheless, that General Botha will surrender. The Boers have no artillery or ammunition and are burying all of their guns. The railway from Lorenzo Marquez to Pretoria is practically clear of Boers.

Postoffice at West Toledo, O., wrecked by robbers, who escaped with \$700.

Li Hung Chang credited with desire to grant czar any concessions he demands.

FAIL TO FIND INDIAN GIRL BRIDES

Rich Maidens of the Five Tribes Are Not So Willing To Wed White Adventurers.

them highly educated, and possessing no racial characteristics that would enable the uninforme to distinguish them from other American women.

The "bronze maidens looking for a white husband" will not be satisfied with the common representatives of the sex. The large majority of these girls are as fair of complexion as are to be found anywhere, and the man who wins them, must himself do the seeking.

Many of these maidens are wealthy. They have vested rights in land which are valuable. If, after marrying a white man, these girls are induced to turn over their property to their new husbands, it is a matter between the newly mated pair and one with which the government cannot interfere.

There is one obstacle in the way of these marriages, however. It is in the shape of a license costing \$1,000, which must be procured of the tribe of which the girl is a member before the wedding ceremony can take place.

THE NEWS FROM COUNTY TOWNS

THE GAZETTE AGENCY,
W. W. CLARK, MANAGER
Milton, Wis., March 12, 1901.

The condition of the roads made live stock deliveries almost impossible last week, therefore the volume of business was light and Vincent & Hassenger shipped but two cars. The market however was active and higher and at the close \$5.30 was paid for the best, a higher figure than has been realized for many moons.

The J. O. T. club entertained Dr. Crandall and other guests at the home of Mr. and Mrs. G. R. Boss Monday evening.

Mrs. Isham of South Dakota, who recently lost her husband has decided to make this village her home. Mrs. Isham was an instructor in the Milton Academy in the sixties.

Prof. Kumlein is mounting the head of an eighteen hundred pound bull moose sent him from Manitoba. It is one of the finest specimens of that animal that has been captured in many a day.

Mrs. E. F. Arrington of Marion, Ia., is visiting her parents, Mr. and Mrs. D. Williams.

The funeral of Mrs. James Pierce took place at the S. D. B. church at Milton Junction and the interment was made at the Rock River cemetery.

Miss Anna Rice, who has position in a Janesville hospital, was home for Sunday; also her father, the County Treasurer.

M. E. Davis will go to Shawano next month to study law with his brother-in-law, District Attorney Werner.

The storm Sunday was a lively one but no damage resulted here. The new telephone wires stood the ice well none of them giving down under the strain.

Miss Bessie Clark came up from Chicago on Monday to spend her spring vacation.

M. C. Whitford was home for several days the past week.

The donation visit for the benefit of the Rev. T. W. North at the M. E. church on Thursday last was an unequalled success, both socially and financially. The receipts were about \$75.

J. E. Hutchins was called to Wells, Minn., Friday by the dangerous illness of his brother.

SIX CORNERS.

Six Corners, March 12—The annual social of the literary society of the school was held at the home of Ernestine Bingham on Wednesday evening. An enjoyable time was had by all present.

of her son in Rockford, on Tuesday, March 5th, after a long and lingering illness. She was born in Boston, Mass., in the year 1838, and came to Wisconsin with her parents and lived in Shopiere and vicinity the last fifty years. She leaves two children, Harry Truesell of Rockford and Mrs. Sidney Nash of Beloit. The funeral was held from the M. E. church on Thursday, March 7th, at 2 p. m., Rev. Chas. Bulley officiating. She was buried by the side of her husband in the Shopiere cemetery.

Mrs. W. T. Wheeler has a relative visiting her from Delavan.

Ernest Ueling has moved into his new house.

The play at the hall on Friday evening last under the auspices of the Royal Neighbors was a success in every respect. It was well patronized for such a night, the hall being packed. The next Royal Neighbor social will be given at the Grange hall, LaPrairie, on Friday evening, March 15th. All members of Magnet camp are requested to furnish for the supper.

There are a good many families who would like to move this week if the weather will permit.

A heavy wind and rain storm visited this place on Sunday, making it very disagreeable for milk haulers. The rain was much needed as nearly all cisterns have been dry for some time.

Charley Rice's house caught fire a short time ago in one of the sleeping rooms up stairs, but was discovered just in the nick of time to save it.

The school house would have burned down Thursday morning if George Jones had not discovered it in time to put it out.

Our postmaster, Mr. Perkins, has been on the sick list for some time but is improving slowly.

Will Atkinson moved on the Hopkins farm here last week.

JOHNSTOWN CENTER.

Johnstown Center, March 12—The card party at Franklin hall given by the M. W. of A. Monday evening, March 4, was quite well attended. First prizes were awarded to Mr. O. B. Hall and Miss Winnie O'Maley. The consolation prize was won by John McGowan. Refreshments were served after the prizes were awarded.

Mr. and Mrs. Asel Millard visited their son who resides near Johnstown, last week.

The Sunday School social held at Mr. and Mrs. F. D. Hall's last Tuesday evening was quite well attended. All report a good time.

A sleigh load of young people from the "Centre" spent last Wednesday evening at the home of Mr. and Mrs. Ed. Mansur.

James Cassidy has moved into town.

Peter Olson has hired to Ed. Parker of LaPrairie.

Patrick Cullen has sold his farm to Albert Paulzine, and will move into the city.

The auction sale on the Martin Ryan farm last Friday was well attended for such a stormy day. The different articles were all disposed of and brought good prices.

Some of our young people were present at the Caledonian social in town Thursday evening and report a good time.

Miss Lizzie Little is spending her vacation with her parents, Mr. and Mrs. Thomas Little.

Harry Pearle, who has been dangerously ill with pneumonia, is better.

Mr. and Mrs. Andrew Lowry, of Fargo, N. D., and Louis Lowry of Oakland, Ia., were called home on account of the death of their father, the late David Lowry.

Sunday, the tenth, goes on record as a weather breaker for March. Rain, sleet, hail, snow and wind, making outdoor life anything but desirable.

Quaker Male Quartet.

A large audience greeted the next to the last attraction on the Y. M. C. A. lecture course at the association building last evening. The entertainment was given by the Quaker male quartet, assisted by Miss Blanche Neal, reader and accompanist. Better quartets and better readers have appeared in this city and it is only justice to say that, judged from any high artist's standpoint the entertainment fell far short. The work was mediocre and amateurish, although to a portion of the audience the broad comedy work of the singers compensated for the lack of musical merit. It certainly was a jolly quartet.

The last attraction on the course will be the Grecian entertainment on Tuesday evening, March 26.

PECULIAR BREAK
IN LEG OF A HORSE

A valuable horse belonging to Daniel Ryan, the Main street liveryman, broke its left hind leg Sunday in a peculiar manner. Mr. Ryan and his son, Edward, started out Sunday morning to deliver a casket and had this horse and another hitched to the undertaking wagon. They drove up Cornelia street and when near S. Hutchinson's residence the horse stumbled and then held up his leg, as if in great pain.

He was unhitched from the wagon and taken into S. Hutchinson's barn and Dr. E. D. Roberts called to examine him. The doctor found the leg broken near the hip and as it was a put him out of misery. The horse was a valuable animal and is quite a loss to Mr. Ryan. He refused \$215 for this horse and his mate only last week. The street at the place the accident occurred was perfectly level and the horses were going at a slow trot. Mr. Ryan thinks the horse balled up with the wet snow which caused him to slip and wrench the leg so as to break the bone.

AMUSEMENT NOTES

"Prince Otto," Otis Skinner's latest play founded upon the novel of the same name by Robert Louis Stevenson, is one which appeals most powerfully to romance loving people, and which played to a most successful engagement in New York earlier in the season. The advance sale of seats has been very large and there promises to be one of the largest houses of the season tonight.

There are sixty-five people in the "Rounders" company which Comedian Thomas Q. Seabrooke brings here for one performance on Wednesday, March 14 at the Meyer's Grand. The place ran over seven months at the New York Casino.

Peter L. Myers announces that the Clarence Bruno Company in Sardou's play of "Theodora," will appear at the Grand on Tuesday, March 19. This show is now being given at the Alhambra in Milwaukee, and is drawing large crowds. The Sardou drama gives opportunity for exceptional costuming and scenic effects.

Headache often results from a disordered condition of the stomach and constipation of the bowels. A dose or two of Chamberlain's Stomach and Liver Tablets will correct these disorders and cure the headache. Sold by People's Drugstore & King's Pharmacy.

B. of R. T. Meet Here.

The B. of R. T. held a joint meeting in the lodge room of the Rock River Lodge No. 210 B. & R. T. Sunday afternoon. Four lodges from Chicago were represented, twenty eight delegates being present from them. Delegations from Mineral Point, Fond du Lac and other places along the lines of route, were also in attendance. The meeting was a very pleasant affair. The Ladies' Auxiliary prepared the supper, which was served in the lodge room and enjoyed by all. The Chicago delegation left for home on the 7:15 train, and all had a warm spot in their hearts for their Janesville brethren.

Take Rocky Mountain Tea. See it exterminates poison. Feel it revitalizes your blood and nerves and bring back that happy, joyous feeling of boyhood days. 35c. Sold at Smith's Pharmacy, Kodak agents, next to postoffice.

Zachow Goes to Stoughton.

E. G. Zachow has been appointed manager of the Postal Telegraph Company's office at Stoughton, Wis. He left today to begin work. Mr. Zachow is a young man sixteen years of age and the appointment is quite a compliment to his ability as an operator. He has two brothers in the employ of the Postal company, one located at Chicago and the other at Milwaukee. During his residence in this city he has made many friends who will be pleased to hear of his success.

Mrs. O. E. VanDeusen of Kilbourn City, Wis., was afflicted with stomach trouble and constipation for a long time. She says, "I have tried many preparations but none have done me the good that Chamberlain's Stomach and Liver Tablets have." These tablets are for sale at People's Drugstore & King's Pharmacy. Price, 25 cents. Samples free.

NO JEALOUS FEELING
AGAINST JANEVILLE

Mr. C. Salmon, a Beloit Citizen, Puts Himself Right on the Street Car Question.

Beloit, Wis., March 11, 1901.

Janesville Gazette:—In an article on the Beloit street car matter in your Friday issue you misquote my remarks before the council meeting on this subject. I know The Gazette does not intend to deceive the public or make any misstatements knowingly, and therefore request a correction.

If my friends in Janesville believed I said what you report, they would be warranted in getting out committee papers for Mendota. The water works question in Beloit was settled some time ago and it is now an acknowledged sign on the streets here of feeble mindedness for any one to mention water works.

I stated that the street car subject should receive careful consideration in Beloit because of its ultimate effect. If it would help, we must not lose it. If it will injure us, we must not have it. That the responsibility must rest on the council as the agents of the people to carefully and fully investigate the subject and inform the public. That a committee should visit different cities of our size and even larger in order to know if urban street car lines in our class of cities were a success or any benefit to the people.

This committee should go into different nearby states, having towns situated like Beloit between two larger cities with interurban service, and learn the effect on the smaller towns. If it was good and towns like Beloit between two towns like Janesville and Rockford were benefited and not injured, then we should all go in and help get the interurban service, and if necessary, build it ourselves. I stated that with this kind of a report before the council there would be no dispute on its action.

I further stated that competition with larger places would be likely to result in interfering with our merchants' trade, and when that once began and rent signs appeared on the street it would not take long to work back into the residence districts, and a general decline in value of property would follow. All of which is substantiated in some cities which have done what we are now contemplating.

My statements and own opinion on the matter all turned on the report of a competent committee, and that whatever that committee reported would meet with general approval. I could not very well be opposed to anything that would benefit Beloit, because I am in a position to be more benefited than any other person if Beloit grows, and my anxiety to have the matter fully investigated also arises from the fact that I would receive great injury from anything that would injure Beloit.

There is no spirit here against Janesville. We are all glad of anything that will give Rock county growth, but you must not blame us for going slow and looking into these matters which are new to us. Our city will probably adopt some kind of interurban connection at the right time and in the right way. Very truly,

PERSONALS.

Mrs. E. P. Green has recovered from an attack of the grip at Canaseraga, N. Y., by the use of Dr. Miles' Pain Pills.

Among the victims of the grip epidemic now so prevalent, F. Coyle is recovering at Canton, O., by the use of Dr. Miles' Nervine and Pills.

W. E. Nihells, of St. Louis, Mo., who was down with grip, is reported much improved. He used Dr. Miles' Nervine and Pills.

The friends of Mrs. L. Denison will be pleased to learn of her recovery from grip, at her home in Bay City, Mich., through the use of Dr. Miles' Nervine and Pills.

Everybody says that J. W. Udy is looking splendid since his recovery from the grip at his home in Des Moines, Iowa. They all know that Dr. Miles' Nervine was what cured him.

At nearly three score and ten Mrs. Galen Humphrey was fighting against odds when the grip attacked her, but she took Dr. Miles' Nervine, and now her neighbors at Wareham, Mass., remark on how well she is looking.

Prosecuting Attorney Charles L. De Waie, who has passed the three-score mile stone, had a time with the grip; but when seen at his home in Roscommon, Mich., the other day, he said Dr. Miles' Nervine was what cured him.

After an illness of five weeks from the grip, Mrs. Harriet Jackson is again about and looking fine. She began taking Dr. Miles' Nervine after the fourth week. Her home is in Bowling Green, Mo.

EIGHT KILLED, 51 INJURED

Awful Results of a Boiler Explosion.

BUILDINGS TORN TO PIECES.

Instant Calamity at a Big Laundry in Chicago Brings Sorrow to Many Homes—Sad Scenes as Bodies Are Taken From Ruins.

Chicago, March 12.—Eight persons were killed and a number probably fatally injured and fifty-one wounded by the explosion of the boiler of the Doremus laundry, 458 West Madison street, at 8:14 o'clock. The building was formerly known as the Waverly theater, the adjoining section on the west being occupied by the volunteers of America as divisional headquarters. It was almost wholly shattered, leaving the walls in a tottering condition and rendering the work of rescue both hazardous and slow. In less than half an hour after the explosion destroyed the building and buried a number of men and women, roughly estimated shortly afterward at a number anywhere from thirty to forty. Police patrol wagons and ambulances were soon on the scene and into them were placed the maimed victims. They were taken to the county hospital. The wounded: Minnie Jaeschke, Tony Stern, Peter Dean, Fannie Dean, Mary Kolb, Theresa Vansick, George McNeill, George Edon, Charles Van Alten and Mamie Burns.

Aided by police and firemen and the corps of city police and red cross ambulances, physicians from the neighborhood rendered effective service in the rescue and proper handling of the wounded.

All sorts of rumors flew thick and fast. An early report was that many of the 100 employees of the laundry were carried down and killed under the boiler, but owing to the danger attending the duties of the police and others engaged in the rescue of the victims, not more than twenty bodies were recovered.

William Nugent, 39 Sheldon street, who was among the first on the spot, brought credit to himself by quickly removing four young women from places of danger in the second floor of the laundry. He rigged up board and tackle and lowered them to the ground.

The detonation was heard as far east as the river and to Western avenue on the west. The excitement was intense and in a short time West Madison street from Elizabeth to Center avenue was crowded. To add to the confusion and danger fire started in the building. It was quickly extinguished, however.

The dead so far as known are: Emma Sebreska, 18 years old; Minnie Olson, 36 years old; George thi, Frank Hauman, Bessie Kincaid, Martha Jacobi, 21 years old; Katherine Kelly, 18 years old; Kate Voss, 21 years old.

SMASHERS MAIL APPEARS.

Mrs. Nation Says She Has No Apologies for Making a Negro Its Publisher.

Topeka, Kan., March 12.—The initial edition of Mrs. Carrie Nation's newspaper, the Smasher's Mail, is interesting. It is a four-column sixteen-page paper of neat appearance, containing several half-tone illustrations of various scenes during the late "Joint" crusade. Mrs. Nation says in her salutation: "I have no apologies to make in having Nick Chiles for the publisher of the Smasher's Mail. Our Savior ate with publicans and sinners to do them good. The servant is not above his Lord. This paper shall be as its name, the Smasher's Mail. I shall put into the columns the letter I get from all over, even those I get from across the water. Those wishing to say anything through the columns of the Smasher's Mail must put it in the form of a letter and use brevity, the soul of wit, for I reserve the exclusive right as editor."

"Grip made me very weak and nervous with tightness of chest and headache. Dr. Miles' Pain Pills and Nervine gave me quick relief."—Mrs. Clarinda Butler, W. Wheeling, Ohio.

"I was given up to die from heart and nervous troubles caused by grip. Six bottles each of Dr. Miles' Heart Cure and Nervine cured me."—Mrs. John Woelt, Jefferson, Wis.

"Failing to find relief from the grip with old methods, I took Dr. Miles' Pain Pills, Nervine and Nerve and Liver Pills and was permanently cured."—Gust. Egan, Jackson, Mich.

"I was in bed five weeks with the grip—nerves shattered, stomach and liver badly deranged. Was cured with Dr. Miles' Nervine and Nerve and Liver Pills."—D. C. Walker, Hallsville, O.

"I had grip three months, could not sleep; pain all over and headache very bad. Dr. Miles' Nervine, Pain Pills and Liver Pills made me well."—Mrs. E. C. Bowley, Waterloo, Ind.

Instant Calamity at a Big Laundry in Chicago Brings Sorrow to Many Homes—Sad Scenes as Bodies Are Taken From Ruins.

Chicago, March 12.—Eight persons were killed and a number probably fatally injured and fifty-one wounded by the explosion of the boiler of the Doremus laundry, 458 West Madison street, at 8:14 o'clock. The building was formerly known as the Waverly theater, the adjoining section on the west being occupied by the volunteers of America as divisional headquarters. It was almost wholly shattered, leaving the walls in a tottering condition and rendering the work of rescue both hazardous and slow. In less than half an hour after the explosion destroyed the building and buried a number of men and women, roughly estimated shortly afterward at a number anywhere from thirty to forty. Police patrol wagons and ambulances were soon on the scene and into them were placed the maimed victims. They were taken to the county hospital. The wounded: Minnie Jaeschke, Tony Stern, Peter Dean, Fannie Dean, Mary Kolb, Theresa Vansick, George McNeill, George Edon, Charles Van Alten and Mamie Burns.

Aided by police and firemen and the corps of city police and red cross ambulances, physicians from the neighborhood rendered effective service in the rescue and proper handling of the wounded.

THE SPRING ELECTION.

The election to be held in Janesville early next month, is of more importance to the residents of the city than a state election, because it is local, and has to do exclusively with local and individual interests. Who shall govern the city, and how shall it be governed, are questions that touch the pocket book, the pride and the morals of the home constituency, in a way that should cause every voter to feel personal responsibility.

Party lines are usually recognized in municipal elections, but there are only two parties to be considered and both of them have an abundance of good material. No man should be placed on the ticket by either party, who is not thoroughly qualified to render the city intelligent and faithful service. Wards that are strongly republican, it is just as easy to elect a good man as alderman, as it is a poor representative, and this is equally true of democratic wards. Where the vote is close and results uncertain, it is due the city, as well as the individual interests of the citizen, that both parties nominate the best men they can select.

In city government, the office should always seek the man, and if the voters have the interests of the city at heart, as well as their own interests, they will attend the caucuses, where city government is born, and select good men, and nothing else. A man, to be a good city official, must possess more than simply an ambition for office. He should combine public spirit, with conservative judgment, and be broad enough to forget self for public welfare.

The office of mayor or councilman, in the smaller cities, is a thankless office, with nothing in it by way of remuneration, but the cheap honor that may go with the title. Many good men refuse to permit their names to be used for these positions, because they object to the annoyance and the kicks that are much more universal than the praise, and yet it is true that a man who is not willing to make some sacrifices for the good of his own city, should not be permitted to have a seat in the council.

That body should be composed of the very best business men that the city possesses. There is no sentiment about it, and there should be no nonsense. The council has much to do with the development of the city, and every last man in it should be large enough to forget himself and his prejudices, in the interests of the general good. Mayor Richardson has made an excellent official in many ways. He possesses commendable spirit, and is entitled to more cordial support than he has always received. If he is to be continued in office he should be surrounded with men of equal intelligence and public spirit. Men who have property interests at stake, and who by their ability to accumulate and successfully manage their own affairs, are able to manage the affairs of the city, with the same required ability.

We wouldn't place a man at the head of a corporation or business enterprise, who didn't possess the honesty and ability to successfully handle it, and yet we frequently elect men to positions of public trust, that couldn't run a peanut stand and show a balance on the right side of the ledger. The principle is all wrong, and we, the people are alone responsible. It is a good time to reform along these lines, and the way to do it is to pack every ward caucus with the best men in the ward, and then do business for the city with the same intelligence and common sense, that is displayed in private affairs. If this is done, there will be no kickers after election, and the city government will be a credit to the city and a blessing to every resident. Try it, and be convinced.

THE CANNING FACTORY.

The cannery factory seems to be an assured thing, if the acreage can be obtained to supply the plant with the necessary products. There appears to be a little hesitancy on the part of the farmers, on the ground that they are not acquainted with the men who are behind the enterprise, and some fear has been expressed that they may not be able to live up to their contracts.

There is every reason to believe that these fears are groundless. The citizens of Janesville, after satisfying themselves that the factory men were responsible, contributed \$5,000 to the enterprise. This was done after a thorough investigation by a committee, and is in itself a guarantee. The firm proposes to invest \$50,000, not as an experiment, but in a business in which they are already successfully engaged. It may be more difficult to secure land near Janesville on account of the tobacco interests, but this should make no difference. There is plenty of farm land not used for tobacco that can be made to produce in canning products, at least four times what it is now producing, and the crop and price is much more reliable even than tobacco.

The cannery factory is not only a good thing for Janesville, but it is a good thing for the surrounding country. If a farmer can produce from ten acres of land, the product of forty acres, in ordinary crops, he has increased the value of his land, and that means a permanent increase of wealth. There should be no trouble in securing the necessary acreage. Any farmer can satisfy himself of the financial responsibility of the factory men by calling on the Mid-winter Fair committee.

SPECIAL APPROPRIATIONS.

The statement recently made by Judge Lyon, president of the State Board of Control, concerning extra appropriations two years ago, is significant. The last legislature passed special appropriation bills amounting in about \$800,000 more than the prospective revenue of the state. About half of the amount was for the university and normal school buildings, and the balance for state institutions. Governor Scofield refused to sign the bills, unless the legislature would provide the funds to meet them. An effort was made on the part of the two educational institutions to secure the money, without the aid of the governor, but the board of control refused to join them. It was discovered however that the revenues of the state would show a liberal balance, and the schools were permitted to go on with their improvements and the board of control was also enabled to put up a much needed building at Chippewa. The \$800,000 balance would have gone largely to the board of control had it been available.

While the State University is a credit to the state, and the Normal Schools are considered of great importance, yet it is a fact that the demands of these institutions have frequently been met at the expense of other interests of equal importance.

It is estimated that the feeble minded population of the state numbers today 3,000. Many of this unfortunate class are a burden to themselves and their friends, and all of them are a menace to society, to a greater or less extent. The state owes it to these people, in the interests of humanity, as well as in the interests of the public welfare to see that they are properly taken care of. A good commencement has been made at Chippewa Falls, where 500 of these unfortunate class are safely sheltered and intelligently cared for, but there are 2,500 more, scattered over the state needing the same care and protection.

It is time for the school regents to recognize this fact, and temper their demands accordingly.

At Green Bay where a work of reforming young men is being successfully conducted by the state, the work is hampered for lack of room. It is about as important to save young men from themselves as it is to educate them, and the school work might better be crowded in cramped quarters for a year or two if necessary than that these boys should be sent to state prison to graduate as confirmed convicts.

The State of Wisconsin is liberal with its schools and in the care of its dependent classes. While extravagance in either department should not be permitted, the legislature should provide for legitimate wants, and by special tax if necessary.

The primary election law is being thoroughly discussed, and fairly well digested. People who try to analyze it by section find the diet a little unsatisfying, while those who tackle the whole system are apt to discard it on general principles. The reform is too radical for the good state of Wisconsin. The people may be too ignorant to realize the deplorable condition they are in. They were never quite equal to the Bennett law and they will be perfectly contented when the primary bill slumbers in the same pigeon hole.

The Milwaukee Sentinel discovers populistic tendencies in the assembly, and issues a timely note of warning. The paper points to the fact that the democratic party in the state was wrecked by the same enemy, and advises the republican party not to make the same error. The advice is good and well worth heeding. A few leaders like Assemblyman Hall, faithfully followed, would demoralize the state beyond recognition. The state is conservative and demands common sense legislation.

It is reported that Mrs. Carrie Nation is devoting her time just now to the reestablishing of the army canteen, in the interests of temperance. If the report is true it beats the hatchet crusade several points, and David can afford to do his own house-keeping for a couple of weeks more.

The city of Ashland has 500 cases of typhoid fever. The epidemic is said to be caused by impure city water. Janesville is not liable to a similar epidemic from the same cause, although the private wells of the city are liable to be poisoned at any time by neighboring cess pools. The city has good artesian water, but it needs a good system of sewerage to make it available.

Ex-Senator Gorman is endeavor-

ing to disenfranchise the colored voters of Maryland so as to break into the upper house of congress again. He may prevent as many ignorant white democrats from voting as he will colored republicans, in which case he will be permanently retired.

The appellate court in Chicago evidently sympathizes with the judge who slept while the case was being tried. It has been decided that the judge committed no error.

Sampson will not need to incorporate that letter in his memoirs. It will be remembered without being printed.

Murray-Hart Wedding.

John H. Murray and Florence Hart, both of this city were married yesterday at Rockford, Ill. They went to Cedar Falls, Iowa, where Mr. Murray's parents reside, on their wedding trip. After a short visit at that place they will return and take up their residence in this city. Both of the young people are well and favorably known in this city where they have resided for many years. The bride is a daughter of Mrs. W. C. Hart and is a young lady whose many social qualifications and pleasant ways have made her a general favorite. The groom is the son of Mr. and Mrs. Thomas Murray of Cedar Falls, Iowa, and has grown up from childhood in this city. He has made for himself a large circle of close friends who join in wishing him a long married life.

VICTIM OF A REAR END COLLISION

Charles H. Stoller, Jr., Met with an Accident on Northwestern Road Near Arlington Heights.

Charles H. Stoller of this city was the victim of a rear end collision on the Chicago & Northwestern road at Arlington Heights this morning.

Stoller left here last night with stock freight known as No. 598 for Chicago in charge of several car loads of stock, consigned to commission merchants at the stock yards.

Train 598 after it leaves Harvard is followed closely by another stock freight from Baraboo that comes down through Afton and strikes the main line at Harvard.

Train No. 598 stopped on the main track and the caboose in which Stoller and a number of the cattlemen were sleeping was run into and telescoped by the engine of the train following. A stockman from Johnson's Creek was killed and Stoller and four others badly hurt.

A message was sent to Mr. Stoller's father in this city at an early hour this morning notifying him that his son was hurt. He left on the early train for the scene of the wreck. A late report sent to the Northwestern officials in this city stated that Stoller had an arm broken and was somewhat bruised. He will be brought home by way of Milwaukee, where he will be sent to state prison to graduate as confirmed convicts.

STOLE A PACKAGE OF SKUNK SKINS

Chief Hogan Brings Back the Three Culprits from Beloit—Skins Worth About \$100.

Chief of Police Hogan went to Beloit last evening and returned with three prisoners named Evans, Smith and Cone, charged with stealing a bundle of furs from the alleyway in the rear of the American Express Co.'s office.

A package of skunk skins were received at the company's office on Saturday and as the odor was more than they could stand in the office they were deposited in a small shed in the rear of the office. When the owner came after his bundle it could not be found. The police were immediately notified, but no trace of the missing goods could be found.

The men that stole the skins carried them to Beloit and disposed of them to a fur dealer for \$23. Yesterday they made another call on the fur dealer and wanted to sell him some more skins, but wanted to borrow \$2 until they brought the skins in. The fur dealer thinking that all might not be right notified the police, who immediately called up this city and learned of the theft. The Beloit officials at once arrested the men and held them until the arrival of Chief Hogan, who went to Beloit and returned with his men at 7:40 last night.

Cone and Emmons have been under police surveillance for some time but this is the first time that they have had a chance to cinch them. Smith is not so well known and it is not known for certain whether he is mixed up in the job.

The stolen skins are worth in the neighborhood of \$100 and will be returned to their rightful owner.

George Cone and James Evans were brought before Judge Fifield this afternoon and listened to the reading of the information against them, charging them with stealing a bundle of furs from the American Express company. They demanded an examination which was set for Tuesday March 19 at 10 o'clock and in default of \$500 bail they were returned to jail.

WILBUR F. CARLE TO BE GUEST OF HONOR

Local Lodge O. E. S. Will Banquet Their Recently-Elected Grand Worthy Patron.

Wilbur F. Carle, recently elected grand worthy patron of the Order of Eastern Star for the state of Wisconsin will be the guest of honor at a banquet given by Janesville chapter No. 60, O. E. S. at Masonic hall tomorrow evening. Mr. Carle is past worthy patron of the local chapter which thus delights to do him honor.

The banquet which is under the supervision of Mr. and Mrs. W. H. Merritt, will be an elaborate affair served in the most attractive style. It will be served at 6:30 o'clock, the usual hour for Eastern Star banquets and will be followed by a regular meeting of the chapter. At the close of the business meeting there will be a social session, the program for which is in the hands of Mrs. Charles Sanborn. Strict secrecy regarding these social exercises is being kept as their nature is intended as a surprise.

It is expected that many visitors will be present from chapters in other cities and that several members prominent in Eastern Star circles will be among the number.

HIGH SCHOOL RECEPTION.
Interesting and Novel Event to Take Place Saturday Night.

The high school reception at the building next Saturday evening promises to be one of the most interesting and novel events in the city's history, combining, as it will, both social and educational elements. The members of the faculty will be the hosts and best assesses of the occasion and preparations are already being made in the various departments of the school work for the entertainment of the guests.

By Prof. Mayne's request, an invitation is hereby extended to the parents of the pupils in the high school and in every eighth grade in the city. They are not only invited but are urged to accept the invitation. It is hoped that every parent will take advantage of the opportunity to become acquainted with the teachers and to see for themselves the equipments and appliances of the building, the educational advantages which their children enjoy and the work which they accomplish. The exhibition will be very complete.

Home-Seekers' Excursions.
On the first and third Tuesdays of each month the Chicago, Milwaukee & St. Paul railway will sell round trip excursion tickets from Chicago, Milwaukee and other points on its line to the great many points in South Dakota, North Dakota and other Western and North Western states, at about one fare. Take a trip west and see the wonderful crops and what an amount of good land can be purchased for a little money. Further information as to rates, routes, prices of farm lands, etc., may be obtained by addressing F. A. Miller, General Passenger Agent, Chicago, Ill.

A marriage license was issued today to Fred Schultz and Emma Greenwalt both of Evansville.

**FRIENDS SURPRISE
MRS. A. R. FELLOWS**

Pleasant Party Organized This Afternoon to Celebrate Her Seventy-Eighth Birthday.

A pleasant surprise party, at which Mrs. Abigail R. Fellows was the hostess, was held this afternoon at the home of her daughter, Mrs. Bert. Hurlburt, on Hickory street. The event, which was a very delightful one, was in honor of Mrs. Fellows' seventy-eighth birthday, and was planned by her granddaughter, Miss Maude Fellows. The guests assembled at the home of Mrs. Cynthia Nash on North Bluff street, and proceeded in a body to their destination. They were laden with good things to eat, and many of them carried gifts which should serve their hostess as souvenirs of the occasion.

The afternoon was spent in happy conversation and reminiscences of by-gone days. Mrs. Fellows expects to leave for California in the near future where she will make her home for time with her daughter, Mrs. Wallace C. Brown. The party today was therefore somewhat in the nature of a farewell, and as it was largely a reunion of old neighbors, its memories will be pleasant ones for her to take with her to her home on the Pacific coast.

HISTORY OF MUSIC OF GREAT BRITAIN

Interesting Meeting of the Musical Literary Society Last Evening—The Program in Detail.

The meeting of the Musical-Literary society held at Christ church parsonage last evening was one of the best and most interesting of the season. The subject for study, "The Music of Great Britain," gave opportunity for an especially fine program which was enjoyed by a large number of the society's members in spite of the counter attraction and the unpleasant condition of the sidewalks.

In the absence of the president, John B. Rexford; Stanley B. Smith presided. As there was no business of importance to be transacted, his charge was soon transacted to Mrs. J. F. Sweeney, chairman of the program committee, under whose direction of song and literary study com-

ing.

A. N. Gleason and wife have returned from an extended outing at Sea Breeze, Fla.

The Reverend Dean McGinnity left for Chicago this morning on the 10:10 Northwestern train.

E. B. Helmstreet and wife returned today from a pleasant visit with their son at Lake Mills.

Mrs. G. Anderson of Whitewater is visiting in the city the guest of Miss Louise Hanson.

Otis Skinner and wife arrived this afternoon at 2:50 from Winona and are registered at the Grand.

United States District Attorney W. G. Wheeler left for Madison this morning on business connected with his office.

Fred L. Wilbur, of the firm of Skelly & Wilbur, went to Chicago this morning on business.

Mrs. W. T. Vankirk has returned home from Chicago where she has been visiting for several days on her way home from Florida.

Mrs. John B. Ehle is dangerously ill and her recovery is thought to be impossible. She is eighty one years of age.

Night Officer M. J. Conroy, who has been ill for some time past, is very low and his death is expected at any time. Mrs. Conroy is also very ill.

Mrs. Elsie Walrath of Minneapolis, spent the day with her sister, Mrs. Jessie Belton. She was on her way home from the funeral of her sister, Mrs. Louie ahurst of Monroe.

LIFE'S JOURNEY IS ENDED.

Miss Alice Sale.

In the recent death of their niece Miss Alice Sale of Madison, Judge and Mrs. John W. Sale have been called upon to suffer a grief that could not be keener had the child been their own daughter. She was the child of Judge Sale's brother who met death by drowning some years ago and she was almost idolized by her devoted uncle and aunt of this city.

During her visits to this city she had endeared herself to many friends of the family by her bright ways. She was an unusually talented child and of such sweet disposition that she was a veritable sunbeam wherever she went. At the time of her death, the latter part of last week, she was fourteen years of age, and she had been a sufferer for several weeks. A severe attack of the grip terminated in spinal meningitis and during her entire illness Judge Sale has made frequent visits to her bedside. Judge and Mrs. Sale went to Madison to attend the funeral. Little Miss Alice was very popular in Madison, both for her own sake and because of the high-standing of the family. Her stepfather is Dr. Hobbs of the University of Wisconsin, to whom Mrs. Sale was married some time ago.

William Garbutt and J. S. Taylor sang "Till Flows the River (Joan of Arc)" by A. R. Gaul in which the two well-trained voices blended harmoniously and the final number on the program was a delightful tenor solo, "O Dearest Heart," one of Arthur Sullivan's compositions. It was nicely sung by Mr. Garbutt.

The next meeting of the society will be held on Monday evening, March 25, at which time the members will consider the work of American composers.

John Howard Dead.

John Howard aged ten years, the youngest son of Mrs. Alice Howard of the town of LaPrairie passed away last evening at eight o'clock at the home of his mother after a few days' with spinal meningitis. He attended the funeral of the late Will E. Howard of La Prairie and caught a cold which developed into the disease which caused his death. He leaves surviving him a heart-broken mother and two brothers; also a half brother and half sister who have the sympathy of the community in which they reside.

The funeral will be held from his late home tomorrow afternoon at two o'clock and the interment will be in the Turtleville cemetery.

Theodore Hanson Dead.

Theodore Hanson who had his arm so terribly mangled in a corn shredder last week that amputation was necessary, died last evening about six o'clock at his home three miles from Emerald Grove. Hanson was forty-two years of age and was well known and respected throughout the county.

He was a widower, his wife having preceded him to the final home. He leaves a family of three boys and one girl who are now parentless. The deceased was a member of the Modern Woodmen of America and was held in high esteem by the members of the order.

The funeral will be held from his home tomorrow afternoon at two o'clock.

TALKING BACK

Most aches and pains of a "bad back" are Kidney Ills.

A lame, a weak, an aching back, tell of kidneys that are overworked.

Backache is "Back Talk." "Back Talk" is Kidney talk. Kidney talk is Kidney trouble, and Kidney troubles are dangerous. Don't neglect a kidney warning.

Doan's Kidney Pills

Cure all Kidney and Bladder and Kidney Troubles and are endorsed by

Janesville People.

Doan's Kidney Pills

Cure every Kidney Kidney Ill from common backache to diabetes; endorsed by

Janesville People.

Get what you ask for. Get DOAN'S. Don't accept something "just as good." Most druggists sell Doan's Kidney Pills and will give you what you call for. Some may endeavor to substitute an article they make more profit on. Insist on having the genuine. Price 50 cents. Manufactured by Foster-Milburn Co., Buffalo, New York.

Hotel Myers.

Mr. John Stetson, of Hotel Myers day clerk, says: "A physician pronounced my trouble kidney complaint. If the severe pain across the small of my back is any indication of the said complaint, I guess I had it. For two years I suffered with attacks, sometimes virulent, sometimes a dull grinding ache, which robbed me of considerable energy. I used in addition to doctor's prescriptions, several preparations said to be sure cures for kidney complaint, but up until I procured Doan's Kidney Pills at the People's Drug Co.'s drug store, I received little if any permanent relief. I took a thorough course of treatment prescribed by Doan's Kidney Pills and it cured me. Up to date I have not noticed any recurrence of my old trouble."

SO. FRANKLIN ST.

Mr. L. Lawrence, of 408 S. Franklin St., engineer at the Janesville Electric Light Co. says:

"Seven years ago I injured my back by falling through a bridge near Afton, into the Rock River. I was on a traction engine, its weight broke through, and the whole thing went into the stream. Since that time my back has ached by spells, sometimes very severely. If I caught cold it settled in my kidneys and if I brought a strain on my back lifting, the result was a bad backache and sharp twinges of pain in my loins. I procured Doan's Kidney Pills and after I used them I was free from backache. I am in better health than at any time since falling through the bridge."

MILTON AVE.

Mr. E. Dillenbeck, of 120 Milton Ave., retired farmer, says: "My wife was troubled with kidney complaint for four or five years, and complained of pains in the small of the back in the region of the kidneys. The symptoms all indicated that the kidneys were deranged, and the doctors who treated her said that those organs caused the trouble. As she did not get any better we thought Doan's Kidney Pills might give her relief, and procuring them at the People's drug store, I had her use the remedy. It did for her all that could be expected. We can recommend Doan's Kidney Pills and you can use our names as saying what has been stated above."

Racine Street.

Mr. E. T. Fish, of 355 Racine St., proprietor of the Fish Dray Line, says: "When I was twenty years of age I fell, injured my back, and ever since that I was troubled more or less with a dull, aching pain across the loins. It never laid me up but it was often painful and annoying. Of late years I have gone to a physician every six months and had myself thoroughly examined under the impression that there might be something wrong with my kidneys. The diagnosis always resulted in the physician claiming these organs were sound, but as the pains existed when I happened to notice in our Janesville papers that Doan's Kidney Pills were guaranteed to cure just such troubles, I procured a box at the People's Drug Co.'s store, and took them. Doan's Kidney Pills are a good preparation. My back has not ached since I used them. I have heard others speak very complimentary of them and if I did not know their merit and required such a medicine I would consider it a favor if some one suggested their use to me. For this reason I endorse them."

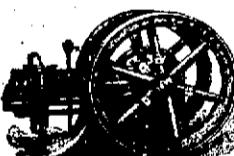

The early symptom of Kidney Ills come in the back; Backache. Pains in the small of the back; Pains in the side, Rheumatic Pains. Irregular action of the heart, Dizziness, Urinary disorders...Too frequent discharges of Urine Infrequent Urination, Urine too highly colored, Diabetes, Dropsy, etc. Doan's Kidney Pills cure every Kidney ill promptly and surely.

TO CURE THE GRIP.

Advice of a Famous Physician. First and foremost, rest. Take care of yourself. Your already weakened nerves want rest, and must have it. If the attack is severe go to bed and remain there. More fatalities result from neglect of this precaution than from any other cause.

Eat sparingly. Your digestive organs are in no condition to take care of the large quantities of food. Drink plenty of pure cold water. It relieves the fever, stimulates the kidneys to action and opens up the pores of the skin. Keep the bowels open with Dr. Miles' Nerve and Liver Pills.

Take three doses of Dr. Miles' Nerve per day, and if you cannot sleep take an extra dose at bed time. To overcome the fever and to overcome the peculiar aches and pains of the grip, use Dr. Miles' Pain Pills. They act quickly and effectually, and no bad effects result from their use. These remedies have been thoroughly tested more than a million times, and their efficacy is thoroughly established. They never fail to give relief.

Dr. Miles' Remedies can be found at any drug store, and they are sold on a positive guarantee that the first bottle or package benefits or money refunded.

"When I was prostrated with grip and my heart and nerves were in bad shape, Dr. Miles' Nerve and Heart Cure gave me new life and health." —Mrs. Geo. Colle, Elgin, Ill.

"I had been in bed three weeks with grip when my husband brought me Dr. Miles' Nerve, Pain Pills and Nerve and Liver Pills. I was cured." —Mrs. J. Reinier, Franklin, Ind.

"My heart was badly affected by an attack of grip, and I suffered intense agony until I began taking Dr. Miles' Heart Cure. It made me a well man." —S. D. Holman, Iraburg,

"When the grip left me my nerves and heart were badly affected; but I began taking Dr. Miles' Nerve and Heart Cure and was soon all right." —Wm. Roericht, Eau Claire, Wis.

An Honest Medicine for La Grippe.

George W. Waite, of South Gardiner, Me., says: "I have had the worst

cough, cold, chills and grip and have

taken lots of trash of no account but

profit to the vendor. Chamberlain's

Cough Remedy is the only thing that

has done any good whatever. I have

used one bottle of it and the chills,

cold and grip have all left me. I

congratulate the manufacturers of an

honest medicine." For sale by Peo-

ple's Drug Co. and King's pharmacy.

"My stomach was affected by grip

Dying Negro Rolls Into Fire.

Braford, Fla., March 12.—At Call,

Fla., ten miles west of here in Lafay-

ette county, unknown parties fired into

a crowd of turpentine hands working

for H. F. Sears & Co. A negro named

George Liston was killed and three

others wounded. The shooting oc-

curred about 7 o'clock last night while

the men were sitting around a fire just

outside of their shanty. One of the

wounded negroes rolled into the camp-

fire in his agony and in the confusion

it was not noticed until too late to

save his life.

Plague Spreads at Cape Town.

Cape Town, March 12.—The bubonic

plague is developing seriously in Cape

Town. Fifteen new cases were officially

reported today, and ninety-seven other

persons were isolated because of hav-

ing come into contact with victims of

the disease. Today two colored per-

sons who had been attacked by the

plague died in the streets of Cape

Town. A European died while being

removed to the hospital. The removal

of several thousand Kaffirs from the

city to the Kaffir location will begin

tomorrow.

Holds 3-Cent Fare Act Void.

Cleveland, O., March 12.—A decision

by Judge Ricks of the United States

District court was handed down here

declaring unconstitutional the 3-cent

street-car fare ordinance passed by the

city council two years ago. The judge

maintained that the ordinance inter-

fered with existing contracts. The suit

to restrain the city from carrying into

effect the terms of the ordinance was

brought by the local street car compa-

nies. Director of Law Hogsett says

the suit will be carried to the higher

courts.

Army Officer Dies in Duel.

Vienna, March 12.—A ferocious duel

with swords has just been fought at

Lentzschau, Hungary, between Lieuten-

ant Enderle and Lieutenant Exler. The

former was killed, and the latter, who

is now in the hospital, received more

than twenty dangerous wounds.

Roosevelt Has the Grip.

Washington, D. C., March 12.—Vice

President Roosevelt is sick with the

grip. He is confined to the house and

he may not be able to leave the city

for his home at Oyster Bay as he in-

tends.
